"Working together on water and Delta issues."

July 1, 2025

The Honorable Monique Limón
California State Senate President *Pro Tem*-Elect
State Capitol, Room 7610
Sacramento, CA 95814

Dear Senator Limón:

On behalf of the Delta Counties Coalition (DCC), we write to extend our sincere and heartfelt congratulations on your election as the next Senate *Pro Tem*. It is particularly heartening to see your Senate colleagues select you to serve in this role after the Delta Counties have benefitted greatly from your stewardship as the Chair of the Senate Natural Resources Committee, decisively leading the Committee through challenging and complex policy considerations that could impact our Delta home.

As representatives of nearly 4 million Californians throughout the Delta region, the DCC extends an invitation to meet with our coalition and visit the Delta we are so proud to represent. We would greatly appreciate the opportunity to discuss your perspective and priorities regarding **California's water future**. In the nearly two decades that the Delta Counties Coalition has been working together, we have always extended a hand to our Southern California and Central Valley partners to find common goals and mutually supportable projects that create regional water supply reliability and resilience. That has not changed, and we remain committed to deeply and thoughtfully engaging in projects that unite us, not divide us.

Again, we were so pleased to learn of your Senate colleagues' decision to unite behind your leadership and look forward to a partnership regarding California's water future. Please contact DCC Coordinator Elisia De Bord at deborde@sacounty.gov or 916-874-4627 for more information and to schedule a meeting and tour.

Sincerely,
