Re: AB 792 (Frazier) Sacramento-San Joaquin Delta: Delta Plan: certification of consistency. SUPPORT (As Amended on March 28, 2017)

Dear Assemblymember Frazier,

The Delta Counties Coalition is pleased to support your AB 792 related to certification of consistency with the Delta Plan.

The Sacramento-San Joaquin Delta Reform Act of 2009 establishes the Delta Stewardship Council and requires it to develop, adopt, and commence implementation of a comprehensive management plan for the Delta (i.e., the Delta Plan). The act requires a state or local public agency that proposes to undertake a covered action to first prepare and submit to the Council a written certification of consistency with the Delta Plan. AB 792 would prohibit the Council from granting a certification of consistency with the Delta Plan until the State Water Resources Control Board completes its update of a specified water quality control plan.

The Delta Counties Coalition is pleased to support AB 792, which protects the Delta.

Sincerely,
